## REGISTRATION

Tuesday ~ Thursday,  
September 6<sup>th</sup>~8<sup>th</sup> ~ 4:30~7:00

There is only one registration time at the beginning of the academic year. There is a \$5.00 fee to register. Please come in to register or have your form mailed in before classes start. Registration is a great time to ask questions & purchase dance shoes. Everyone must fill out a registration form.

**Encouraging, Family Fun Atmosphere,  
Focused, Talented Dancers &  
Beautiful Studio Space**

Our studio is a beautiful old church with areas for parents to observe classes. We pride ourselves in finding a balance of teaching proper technique and discipline and encouraging the enjoyment and passion of dance. We have fun and work hard!

## *Additional Opportunities:*

### Class Demonstrators

Older students are given the opportunity to assist our experienced instructors and help maintain an organized class. This gives them the chance to become a big sister in our dance family. They must be 13 years old and taking the style of dance they are assisting. Reg. forms are online.

### DMW & CNADM Member

Julie Baird is a member of these renowned dance organizations. We are able to attend their professionally taught workshops several times a year and apply for their scholarship opportunities.

### Friends of PDE

Our Intermediate and Advanced students are encouraged to audition for Point Dance Ensemble and benefit from that experience above and beyond studio training.

## *Studio Policies*

### Dress Code

It is important for your learning experience to dress appropriately for class. Leotards and tights are required for all classes. Skirts may be worn in ballet classes. Loose fitting pants, shorts, and tank tops are also acceptable for Jazz, Tap, Hip Hop, & Modern classes. Long hair needs to be pulled back out of dancer's eyes. The appropriate shoes are also required for each form of dance – ballet, jazz and tap shoes for the named style, clean tennis shoes for Hip Hop and bare feet for Modern.

### Shoes & Dancewear

Most dance shoes are available for purchase at the studio. Dancewear can be purchased at several local department stores and various online sources.

### Studio Closings & Cancellations

Closings will be on the studio answering machine, the website, and sent to the email address supplied at registration. The make-up time for the classes will also be listed through these sources. Typically if the local public schools close due to weather, we will also be closed.

### Refunds

There are no refunds for missed classes unless there is an injury or extended illness with doctor's excuse. For the occasional missed class, you may attend another class at a similar level.
